The Bhagavad Gita: A New Translation

The Bhagavad Gita: A New Translation

***The Bhagavad Gita*, the Song of the Lord, is an ancient Hindu scripture about virtue, presented as a dialogue between Krishna, an incarnation of God, and the warrior Arjuna on the eve of a great battle over succession to the throne.**

This new verse translation of the classic Sanskrit text combines the skills of leading Hinduist Gavin Flood with the stylistic verve of award-winning poet and translator Charles Martin. The result is a living, vivid work that avoids dull pedantry and remains true to the extraordinarily influential original. A devotional, literary, and philosophical masterpiece of unsurpassed beauty and imaginative relevance, *The Bhagavad Gita* has inspired, among others, Mahatma Gandhi, J. Robert Oppenheimer, T. S. Eliot, Christopher Isherwood, and Aldous Huxley. Its universal themes—life and death, war and peace, sacrifice—resonate in a West increasingly interested in Eastern religious experiences and the Hindu diaspora.
