Encyclopedia of American Civil Rights and Liberties [3 volumes]

Encyclopedia of American Civil Rights and Liberties [3 volumes]

Spanning three volumes, this comprehensive encyclopedia of over six hundred entries covers the full range of civil rights and liberties in America from the antecedents of the Bill of Rights through the most recent controversies over political and social issues, including abortion, free speech, religious liberty, voting rights, and the guarantees of equality. It also addresses the civil rights and liberties issues stemming from America's ongoing war on terrorism. Detailed entries include key concepts, historical events and developments, major trials and appellate court decisions, landmark legislation, legal doctrines, important personalities, and key organizations and agencies. Entries have an objective tone, allowing readers to draw their own conclusions.

Designed as an up-to-date reference source for students, scholars, and citizens, the encyclopedia will help broaden and heighten understanding and appreciation for the wide range of issues associated with civil rights and liberties in the United States, and is the most sophisticated treatment available. The volumes of the encyclopedia consist of original entries, arranged alphabetically, on many current hot-button issues as well as in-depth coverage of the rights Americans hold sacred. Written by experts in the field, including attorneys, judges, and legal scholars, the encyclopedia takes a historical-legal approach, providing important information on the background and development of an issue or event.

The third volume concludes with over three dozen essential primary documents, including landmark statutes, key court decisions, and influential essays.

Bess Cook:

With this era which is the greater man or who has ability to do something more are more special than other. Do you want to become one among it? It is just simple approach to have that. What you should do is just spending your time almost no but quite enough to get a look at some books. Among the books in the top record in your reading list is Encyclopedia of American Civil Rights and Liberties [3 volumes]. This book which can be qualified as The Hungry Slopes can get you closer in turning out to be precious person. By looking up and review this e-book you can get many advantages.

Tammy Paradis:

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just little students that has reading's soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Encyclopedia of American Civil Rights and Liberties [3 volumes] can make you experience more interested to read.
