## **Jurisprudence: Theory and Context** Brian Bix

A broad overview of the main topics and central issues in legal theory, Jurisprudence provides students with an informative introduction. Academically challenging and often controversial ideas are presented in a lucid, straightforward manner with special attention given to legal positivism, natural law theory, legal realism, law and economics, critical race theory, and feminist legal theory as well as to such leading theorists as Hart, Dworkin, Fuller, and Posner. The book will be essential reading for both the postgraduate and undergraduate.
