Mermaids in Paradise: A Novel Lydia Millet

“Hilariously funny. . . . Lydia Millet’s novels raise the bar for boldness.”?Rene Steinke, *New York Times Book Review*

On the grounds of a Caribbean island resort, newlyweds Deb and Chip?our opinionated, skeptical narrator and her cheerful jock husband who's friendly to a fault?meet a marine biologist who says she's sighted mermaids in a coral reef.

As the resort's "parent company" swoops in to corner the market on mythological creatures, the couple joins forces with other adventurous souls, including an ex-Navy SEAL with a love of explosives and a hipster Tokyo VJ, to save said mermaids from the "Venture of Marvels," which wants to turn their reef into a theme park.

Mermaids in Paradise is Lydia Millet's funniest book yet, tempering the sharp satire of her early career with the empathy and subtlety of her more recent novels and short stories. This is an unforgettable, mesmerizing tale, darkly comic on the surface and illuminating in its depths.

Kenneth Connolly:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Mermaids in Paradise: A Novel can make you really feel more interested to read.
