## **Mississippi Moonshine Politics:: How Bootleggers & the Law Kept a Dry State Soaked (True Crime)**

Janice Branch Tracy

For most states, the repeal of prohibition meant a return to a state of legally drunken normalcy, but not so in Mississippi. The Magnolia State went dry over a decade before the nation, leaving bootleggers to establish political and financial holds they were unwilling to lose. For nearly sixty years, bootlegging flourished, and Mississippi became known as the "wettest dry state in the country." Law enforcement tried in vain to control crime that followed each empty bottle. Until statewide prohibition was finally repealed in 1966, illegal booze fueled a corrupt political machine that intimidated journalists who dared to speak against it and fixed juries that threatened its interests. Author and native Mississippian Janice Branch Tracy delivers an intimate look at the story of Mississippi's moonshine empire.
