## **Painless Study Techniques (Painless Series)** Michael Greenberg

Most kids hate to study, and homework is always a chore--but this book teaches kids how to transform drudgery into interesting and productive projects. The author offers suggestions for group learning and study projects, creating a stimulating study environment, and knowing the different ways to read different kinds of books, from math to literature. He also advises on organizing ideas for writing assignments, and seeking extra help for especially difficult subjects.
