The Cleansing of America W. Cleon Skousen

Dr. W. Cleon Skousen spent the majority of his life researching the gospel, the U.S. Constitution, the founding of America and writing numerous books and articles on the topic. He is also one of the most well-known, respected defenders of America and the gospel the world has ever known. At the time of his passing in 2006, his work was not yet finished. His book The Cleansing of America, written in 1994 and given into the care and keeping of his sons, is now being brought forth for the first time ever.

Included in these pages are the events and stages the Lord has predicted, through his servants, the windingup scenes of this world. It helps the reader understand: the nature of prophecy, the known chronology of prophetic events, and the importance of staying close to the Lord and his prophets during the difficult and challenging years prior to the Second Coming. We are fast approaching those prophetic events. Some are upon us even now.

If we are prepared and obedient, we need not fear these events, but rather embrace them for the blessings they portend.
