The Ghost of Freedom: A History of the Caucasus Charles King

The Caucasus mountains rise at the intersection of Europe, Russia, and the Middle East. A land of astonishing natural beauty and a dizzying array of ancient cultures, the Caucasus for most of the twentieth century lay inside the Soviet Union, before movements of national liberation created newly independent countries and sparked the devastating war in Chechnya.

Combining riveting storytelling with insightful analysis, *The Ghost of Freedom* is the first general history of the modern Caucasus, stretching from the beginning of Russian imperial expansion up to the rise of new countries after the Soviet Union's collapse. In evocative and accessible prose, Charles King reveals how tsars, highlanders, revolutionaries, and adventurers have contributed to the fascinating history of this borderland, providing an indispensable guide to the complicated histories, politics, and cultures of this intriguing frontier. Based on new research in multiple languages, the book shows how the struggle for freedom in the mountains, hills, and plains of the Caucasus has been a perennial theme over the last two hundred years--a struggle which has led to liberation as well as to new forms of captivity. The book sheds valuable light on the origins of modern disputes, including the ongoing war in Chechnya, conflicts in Georgia and Azerbaijan, and debates over oil from the Caspian Sea and its impact on world markets.

Ranging from the salons of Russian writers to the circus sideshows of America, from the offices of European diplomats to the villages of Muslim mountaineers, *The Ghost of Freedom* paints a rich portrait of one of the world's most turbulent and least understood regions.

From reader reviews:

Ellen Garcia:

What do you concentrate on book? It is just for students since they are still students or the item for all people in the world, the actual best subject for that? Merely you can be answered for that question above. Every person has diverse personality and hobby per other. Don't to be pushed someone or something that they don't want do that. You must know how great along with important the book The Ghost of Freedom: A History of the Caucasus. All type of book could you see on many methods. You can look for the internet options or other social media.

Donna Bledsoe:

The Ghost of Freedom: A History of the Caucasus can be one of your starter books that are good idea. Most of us recommend that straight away because this e-book has good vocabulary that may increase your knowledge in words, easy to understand, bit entertaining but nevertheless delivering the information. The author giving his/her effort to put every word into joy arrangement in writing The Ghost of Freedom: A History of the Caucasus although doesn't forget the main stage, giving the reader the hottest in addition to based confirm resource facts that maybe you can be one of it. This great information could drawn you into brand new stage of crucial imagining.

Steven Cordell:

Your reading 6th sense will not betray an individual, why because this The Ghost of Freedom: A History of the Caucasus guide written by well-known writer we are excited for well how to make book that may be understand by anyone who have read the book. Written throughout good manner for you, dripping every ideas and composing skill only for eliminate your hunger then you still doubt The Ghost of Freedom: A History of the Caucasus as good book not just by the cover but also by content. This is one publication that can break don't judge book by its deal with, so do you still needing yet another sixth sense to pick this kind of!? Oh come on your studying sixth sense already told you so why you have to listening to a different sixth sense.

Kathryn Hebert:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Ghost of Freedom: A History of the Caucasus can make you experience more interested to read.
