Frederick Douglass

The Life and Times of Frederick Douglass (African American) Frederick Douglass

Born around 1817 in Maryland, Frederick Douglass was a former plantation slave who went on to become a brilliant writer and eloquent orator. In this amazing first-hand narrative, published in 1881, he vividly recounts his early years, which were filled with physical abuse, deprivation, and tragedy; his dramatic escapes to the North, recapture, and eventual freedom; his work for the Anti-Slavery Society and influential role in speaking for other African-Americans; his abolitionist campaigns, and crusade for full civil rights for former slaves.
