The Next World War: What Prophecy Reveals About Extreme Islam and the West Grant R. Jeffrey

The first warning shots of WW III have already been fired

The escalating terrorist attacks in the Middle East and in major cities in the West are not isolated acts of extremism. They are the first warning shots fired in a coming world war.

For decades, prophecy expert Grant R. Jeffrey has been analyzing geopolitical developments through the lenses of history, religion, and prophecy. As current events unfold according to the prophecies of the Bible, Jeffrey says Islamic extremists are preparing to attack Israel and conquer western civilization—destroying our freedom.

Drawing from firsthand interviews, intelligence reports, and ancient prophecy, Jeffrey reveals:

- Saddam Hussein's role in the 9/11 attack on America
- Where Iraq hid its Weapons of Mass Destruction
- How Russia and extreme Islam will launch World War III
- The Bible's prophecy of the destruction of extremist Islam
- How Israel will rebuild the Temple in Jerusalem

With Grant Jeffrey's incisive and sometimes surprising analysis, you can understand the hidden agenda and powerful players behind today's news headlines.
