*Nathaniel Hawthorne*

**The Scarlet Letter (Penguin Classics)** Nathaniel Hawthorne

**A dramatic, moving depiction of social defiance and social deference, of passion and human frailty**

Set in the harsh Puritan community of seventeenth-century Boston, this tale of an adulterous entanglement that results in an illegitimate birth reveals Nathaniel Hawthorne's concerns with the tension between the public and the private selves. Publicly disgraced and ostracized, Hester Prynne draws on her inner strength and certainty of spirit to emerge as the first true heroine of American fiction. Arthur Dimmesdale stands as a classic study of a seld divided; trapped by the rules of society, he suppresses his passion and disavows his lover, Hester, and their daughter, Pearl. As Nina Baym writes in her Introduction, *The Scarlet Letter* was not written as realistic, historical fiction, but as a "romance," a creation of the imagination that discloses the truth of the human heart.

For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
