`This book... is not a single "meal" in itself but a positive "larder" containing every imaginable staple food and condiment all exquisitely and thoroughly researched. The book took Goff Barrett-Lennard 20 years to write and it will stand as a reference text for person-centred specialists for longer than that... an essential reference text... and a pantry full of delicious surprises' - *Counselling, The Journal of the British Association for Counselling*

`Probably the most important piece of work on the person-centred approach to have emerged in recent years... an essential source of reference for anyone with a serious interest in the person-centred approach' - *Counselling News*
