Creating lifelong learners is ideally what we, as teachers, desire for all students. We understand the values and rewards that come from acquiring a thirst for knowledge. *Wanting* children to see learning as a valuable tool is easy, but *knowing how* to instill that love, now that is a different story. That story is presented here, in easy-to-understand text and ideas, to guide students through the concepts of lifelong learning.

Learning That Never Ends demystifies the concept of lifelong learning in a way that makes it easy and accessible for all. This work literally levels the playing field for any and all students to find success in life.

Every idea, every tool provided comes from fifteen years of research and experimentation across socioeconomic levels and subject areas from elementary to college, in hundreds of classrooms. With the ideas from this book, you can empower all students with the qualities of a lifelong learner.
