## **No Greater Love** Anne Patrick

For the most part, Kirby Shelton is content with her life. She's building a new law practice in Colorado Springs, after losing her first in a bitter divorce, and loves to skydive in her spare time. Then she meets Leah Dalton, the computer software queen, and her world is suddenly turned upside down.

Leah, facing a losing battle with cancer, comes to Kirby with a plan to end her life on her terms. Inviting Kirby, and five of her closest friends, to her estate, she offers to make one of them a multi-millionaire. All they have to do is kill her and make it look like an accident.

It sounds like something out of the Twilight Zone, but Kirby gives into her morbid curiosity and takes Leah up on her invitation. After meeting Leah's friends and sensing the love and dedication they have for this woman, it's easy to assume one of them will go along with her absurd plan.
