Many Christians may find today's world to be spiritually hostile. In a social climate that begs spirituality to take a backseat to cultural demands there is a need for a new discipleship model. It is no secret that modern disciples will have to search for new methods of discipleship. Rather than a book intended for use as a guide for discipleship, *Brave New Discipleship* lays out the biblical principles that must be followed, no matter what book or discipleship method the reader might choose to use. *Brave New Discipleship* integrates the best of modern educational research to guide the most effective discipleship strategy possible. Max explores Scripture and sheds light on what is negotiable and what is non-negotiable for modern ministry. For the reader looking for biblically sound ways to grow his or her church, *Brave New Discipleship* is a must-read.

Features include:

- **Memory exercises help the reader absorb a summary of what he or she has read**
- **Understanding exercises help the reader put into his own words what he or she has read, to be sure he grasps the truth**
