## **God's Imagination** Maribeth Zuesi

Appealing to all ages, God's Imagination is an inspirational poem partnered with pictures. "My inspiration for God's Imagination actually came from my children watching Baby Einstein. We were watching 'World of Animals' and I would point out the animal and my son would name it and my daughter, still a baby, was also learning. This was both educational and fun for us," says author Maribeth Zuesi. She remembers as a child reading and learning The Creation Story, in which God created the world in seven days. "The Creation Story came to mind and the next thing I know, I started writing about what we see: sunrises, mountains, the seasons and stars. Pulling from life and the natural beauty around us - compiled all inside the creation of planet Earth - God's Imagination was born." Maribeth Zuesi worked 12 years in sales and marketing in graphic communications for print medias. She has a B.S. in Corporate Communications from Point Park University and studied Fine Arts at Indiana University of Pennsylvania. Zuesi is now a freelancer and a stay-at-home mom. She lives in Pittsburgh and is currently writing her next children's book, Rocket Ship.
