Gold Dust (Updated), A Collection of Golden Counsels Kenneth H. Stephens

This little book is a translation from a collection of devotional thoughts published in France under the title of "Paillettes d'Or." It is by necessity a selection, since the gold dust which suits French readers requires a fresh sifting for the English.

The value of these thoughts seems to me well to deserve the term of gold. There are many who will much enjoy having this little collection on their table, in order to take it up and dwell upon some one of its grains at leisure times throughout the day's business.

From the Foreword by,
CHARLOTTE MARY YONGE

Feb. 12th, 1880
