In order to study the secrets of anatomy. thus beginning to give perfection to the great knowledge of the design that he afterwards acquired. 'Giorgio Vasari. Life of Michelangelo. 1568. Michelangeo's art is exhilarating. but also bewildering. What is the source of its incomparable power In this imaginative and detailed study. the art critic James Hall explores some of the major puzzles - the unmaternal nature of Michelangelo's Madonnas and their lack of responsiveness; his concern with colossal scale and size; the way that anatomical dissections affected his attitude to the human body; the passionate. anxious placing of solitary. heroic figures against a background of troubling crowds. In the process he arrives at a more precise appreciation of the body langua...
