Everett has always liked Janice, but ever since he came back from his first tour and saw her lounging in the middle of her lawn in a string bikini, he's liked her a little too much. But you don't go after your best friend's little sister, so Everett has vowed to stayed away from temptation...until an anonymous group threatens Janice's life and he's sent in to protect her.

Janice wanted a quiet Christmas to nurse her broken heart, but quiet is impossible with her brother's best friend back in town. The fact that Everett stormed the strip club she'd been partying in with her friends--and that, before she realized his identity, she demanded he put on a show for her--isn't helping things. Neither is her ex-boyfriend, who has finally decided that he wants more than just Janice's prize-winning Christmas cookies. As danger closes in, Everett and Janice are pushed closer and closer until everything is on the line...including their hearts.
