Research Methods with APA Updates, Revised Edition Donald H. McBurney, Theresa L. White

Now in its 8th edition, RESEARCH METHODS provides psychology students with a scientific approach to understanding their field of study and the world in general. The text's logical, step-by-step coverage is the result of decades of author experience, and includes all of the stages of the research process--from selecting the project and searching for literature to choosing a protocol and getting published. RESEARCH METHODS also poses students with problems from selected psychological literature to demonstrate some of the creative ways psychology professionals design and conduct effective research.
