U. of Chicago Press Trade Paperback with 237 pages, copyright 1978. - "Elijah Anderson's sensitive and incisive portrait of the 'regulars', 'wineheads', and 'hoodlums' of Chicago's South Side will be fascinating reading for a broad audience, and makes important contributions to social science understanding." Lee Rainwater, Harvard University - "It's an urban ethnography about a shifting collection of black men who come together more or less regularly at Jelly's, a bar-room-liquor store located in the ghetto on Chicago's South Side. Anderson's mix of the language of sociology and the more colorful street idiom makes a complete social phenomenon accessible to a broad audience with a special significance for students of urban society and social stratification. This is an important work for both 'outsiders and insiders.'" Contemporary Sociology
