A Titanic Mistake Stephen D. Sullivan

Even Crimson, warrior woman from another dimension, knows the legend of the Titanic: on her maiden voyage, the “unsinkable” ship struck an iceberg and plunged to the bottom of the Atlantic, taking with her more than 1000 souls. For us, that tragedy occurred long ago, but the timeline of Crimson’s life isn’t so simple. When our red-haired heroine awakes in a bloodstained first-class stateroom, she soon finds herself racing against time to save the doomed ship. But was it a mere iceberg that sank the famed vessel ... or was it something far more sinister?

“A Titanic Mistake” is the latest action-packed adventure in the saga of Crimson, semi-immortal champion fated to be reborn again and again across all of time and space. The e-book features two Crimson tales: the title story plus “The Candle Goes Dark, But the Light Remains” -- written to memorialize the tragically short life of Mr. Sullivan’s friend, Aalandria Edmonds.

In the delicate balance between between life and death, heroism can often tip the scales. Such are the challenges for which Crimson lives -- and dies. Get your copy of “A Titanic Mistake” today!

Stephen D. Sullivan is the award-winning author of dozens of novels and stories, including trilogies for Legend of the Five Rings, Spider Riders, and Dragonlance.
