## **Between Death and Life: Conversations with a Spirit** Dolores Cannon

A well-written book that is a curious reminder that our in-between life with all its information lies within our subconscious.

Dolores has accumulated information about the Death experience and what lies beyond through 16 years of hypnotic research and past-life therapy. While retrieving past-life experiences, hundreds of subjects reported the same memories when experiencing their death, the spirit realm, and their rebirth.

This book also explores:

- Guides and guardian angels
- Ghosts and poltergeists
- Planning your present lifetime and karmic relationships before your birth
- The significance of bad lifetimes
- Perceptions of God and the Devil
- And much more
