El proceso

Franz Kafka

El proceso Franz Kafka

Obra emblemática de lo que se ha dado en llamar lo kafkiano, El proceso se cuenta entre las pocas obras de la literatura que han alcanzado el raro destino de desbordar ampliamente los meros límites de su naturaleza como relato. En efecto, en esta novela que se inicia con el arresto, una mañana, de Josef K., supuestamente acusado de un delito que nunca llegara a conocer, y quien a partir de ese momento se ve envuelto en una maraña inextricable regida por un mecanismo omnipresente y todopoderoso cuyas razones y finalidades resultan inescrutables, Franz Kafka forjo una vigorosa metáfora de la condición del hombre moderno. / Kafka's The Trial has been read as a study of political power, a pessimistic religious parable, or a crime novel where the accused man is himself the problem. In it, a man wakes up to find himself under arrest for an offence which is never explained. Faced with this ambiguous but threatening situation, Josef K. gradually succumbs to its psychological pressure.
