Journey to Star Wars: The Force Awakens - Shattered Empire #1 (of 4) Greg Rucka

Emperor Palpatine's twenty-year reign of terror came to an abrupt and fiery end in the skies above the forest moon of Endor. A decisive victory for the Rebel Alliance, to be sure, but even with the loss of its leadership, the Empire's Moffs and regional governors retained their hold on important systems from the Core to the Outer Rim, thanks to the might of the Imperial Starfleet. Now, with a power vacuum atop the Empire, those Moffs will jockey for position and control, and the heroes of the Rebel Alliance will soon discover that a wounded and fractious Empire may be more dangerous than any threat they faced before! For the first time in the new Star Wars canon, journey with us into the time after the end of Return of the Jedi! Writer Greg Rucka and artist Marco Checchetto take us past the destruction of the second Death Star into the chaos of a Shattered Empire.
