Boston Mafia: La Cosa Nostra and Winter Hill Gang (Rogue Mobster) (Volume 3) Mark Silverman

An amazing compilation of first hand Whitey Bulger, Winter Hill Gang, and Italian mafia stories as told by Boston Organized Crime figure, Mark Silverman. Silverman recalls his own deadly encounter with notorious Irish Mob Boss, James "Whitey" Bulger along with actual FBI recordings of the most sacred Italian tradition; an actual induction ceremony. Silverman compares his inside views with those of other highly regarded mob writers. Boston Mafia Chronicles the history of the Winter Hill Gang and the New England mafia through the eyes and ears of Boston organized crime figure Mark Silverman along with supplemental material from some of the most well known and respected journalists who have covered the mafia for over thirty years. Silverman explains how shifting allegiances and internal power struggles have moved the power base from Providence to Boston and back again. In 1988 Frank Cadillac Salemme was released from prison and decided to rekindle his criminal partnership with his old pals Whitey Bulger and Stevie Flemmi which led to at least six mob related killings in 1991 and sparked an all out power play in the New England mafia. The next six years brought with it a slew of underworld slayings. Some were personal while others were directly related to Salemme's grab for power. By 1995 a grand jury handed down a sweeping indictment that included Salemme, Bulger and Flemmi. While Flemmi decided to stick around, Bulger and Salemme high tailed it out of Boston. Salemme headed to West Palm Beach, Florida and was apprehended seven months later and brought back to Boston to face charges ranging from extortion to murder. Bulger lasted over 16 years on the lam. It was not long before Salemme found out that Bulger and Flemmi had been informing on him since the 70's. He was approached by Attorney General Janet Reno to make a deal and deliver payback to the FBI and the back stabbing mobsters. Reno wanted to bring down Boston FBI agent John Connolly who allowed Bulger and Flemmi to rule unabated for two decades. Many mafia story lines have an all-too similar ring to them. Not this book. Silverman threads the needle with this impressive back story surrounding the mysterious relationship between Whitey Bulger and the FBI. Millions were netted by Bulger's crew and FBI agents. But where did all the money go?
