Case Studies in Public Budgeting and Financial Management, Revised and Expanded (Public Administration and Public Policy)

A resource for administrators seeking innovative ideas and supporting precedents in formulating policy, this book also provides a useful textbook for public administration and policy students. It employs a wealth of case studies in budgeting and financial management to demonstrate strategies in system implementation, policy formulation, government accounting, auditing, and financial reporting. With contributions from leading experts, it clarifies procedures to solve cutback and downsizing dilemmas using theoretical models, and provides pragmatic approaches to managing financial activities under budgetary strain. It also covers the evolution of a debt management policy.
