Ian McEwan: Contemporary Critical Perspectives, 2nd edition

Ian McEwan: Contemporary Critical Perspectives, 2nd edition

Ian McEwan is one of the most significant, and controversial, British novelists working today. His books are both critically - and academically - acclaimed and embraced by readers across the world. Although primarily a novelist, he has also written short stories, television plays, a libretto, a children's book and a film adaptation. Across these many forms his work retains a distinctive character that explores questions of morality, place and history, nationhood, sexuality and gender.

Now fully updated for its second edition, this guide brings together a collection of new critical perspectives on McEwan's oeuvre, not only covering the early works and his writing for the screen but also incorporating detailed and original analyses of the later work, including new readings of his latest books, *Solar* and *Sweet Tooth*. With an updated and extended guide to further critical reading on McEwan, the book also includes an interview with the author himself, a chronology of his life, work and times and the full text of a lost early McEwan short story.
