Single-Digit Youth Groups 2: More Activities, Plus Mission Ideas Marcey Balcomb

**GIVE EVEN MORE
to
LESS**

This Volume 2 followup to *Single-Digit Youth Groups* focuses on **activities** for volunteers in churches with only a few youth. This book offers activities that can be used . . . **even with only one or two youth.**

Volunteer workers will find articles that help develop skills for working with small youth groups.

The book includes forms, checklists, and planning aids for a mission trip or service project . . . plus **reproducible pages for many activities.**

This resource helps the small group identify what they *can* do in mission and service, helping to create life-changing experiences for youth.

Even if your church has fewer than 10 teens, your numbers are never too small to offer a relevant youth ministry that powerfully affects their lives.

In fact, smaller numbers allow you to devote more time and concentrate greater attention on your precious few. You can actually give more to fewer.

Single-Digit youth resources are designed to engage every teen, at every level of maturity, without alienating all the rest. Even in a small church, you can retain and develop the full potential of your special few.

Small churches and churches with small numbers of youth will be delighted that someone has finally written just for them!

Author Marcey Balcomb helps them discover the joys and power of a single-digit youth group and provides the practical help they need.

Maria Kim:

Many people spending their time period by playing outside with friends, fun activity using family or just watching TV all day long. You can have new activity to pay your whole day by studying a book. Ugh, think reading a book can really hard because you have to bring the book everywhere? It fine you can have the e-book, having everywhere you want in your Cell phone. Like Single-Digit Youth Groups 2: More Activities, Plus Mission Ideas which is having the e-book version. So , why not try out this book? Let's view.

Cassandra Rosas:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to

reach Chinese's country. Therefore this Single-Digit Youth Groups 2: More Activities, Plus Mission Ideas can make you experience more interested to read.
