**Talking to Girls About Duran Duran: One Young Man's Quest for True Love and a Cooler Haircut**

Rob Sheffield

**From the bestselling author of *Love Is a Mix Tape* and *Turn Around Bright Eyes*, "a funny, insightful look at the sublime torture of adolescence".—*Entertainment Weekly***

The 1980s meant MTV and John Hughes movies, big dreams and bigger shoulder pads, and millions of teen girls who nursed crushes on the members of Duran Duran. As a solitary teenager stranded in the suburbs, Rob Sheffield had a lot to learn about women, love, music, and himself. And he was sure his radio had all the answers.

As evidenced by the bestselling sales of Sheffield's first book, *Love Is a Mix Tape*, the connection between music and memory strikes a chord with readers. *Talking to Girls About Duran Duran* strikes that chord all over again, and is a pitch-perfect trip through '80s music—from Bowie to Bobby Brown, from hair metal to hip-hop. But this book is not just about music. It's about growing up and how every song is a snapshot of a moment that you'll remember the rest of your life.
