Ever since Sarah Jones's best friend Jamie died in a freak accident, life has felt sort of...random. Sarah has always followed the rules her father is the school superintendent, and she's always been a good student, a good pal, a good girlfriend. Now what? Her grades are plummeting, she and her boyfriend are drifting apart, and if she doesn't get her act together, her parents might have to resort to taking her beloved dog Ruby away from her. In a last ditch effort to pull it together, Sarah ends up working for Roy, a local eccentric who owns a Christmas tree farm, and who might also be trying to understand the rules, patterns, and connections in life. Will life ever make sense again?
