## **DESCRIPTION:**

Apollo and Amaya Shelly are twins, living deep in the forest of Stockwood Washington and away from civilization. Raised by their father and under the protection of their leader, Maximiliano, Apollo and Amaya live what they consider a normal life with the Sanguis clan.

Three days before their 18th birthday, the twins discover that their “normal” existence is anything but normal: their father and the Sanguis clan are vampires. Worse yet, they learn that an agreement was made that would predestine them to become vampires on their special day.

In a chilling race against time, the twins uncover a secret that could destroy their lineage and alter their existence. Whether past or present, family or clan, the line between good and evil can easily blur. . .

. . . Especially when they are bound to darkness

## **REVIEWS**

I must admit, this book was awesome. It had a different aspect on vampires that I truly enjoyed. I was left wanting more. As the twins, Apollo and Amaya, lived with their vampire dad, they were destined to be 'turned' at the age of 18. They lived with the clan that took them in at birth, under the condition that they would be part of the vampires clan as vampires. This story held a lot of emotion upon the twins learning of the 'ceremony' of their 18th birthday. The ending was very good. This book was very action packed. Very thrilling. I really liked this book. I definitely recommend this.

## A Q&A with Author April M. Reign

**Q.** You are very prolific. What's your secret for getting so much work done?

**A.** My secret is consistency. Every day, I sit in front of my laptop and I write. I may only write 200 words (on a bad day) or 3000 words (on a good day) but there is never a day that goes by when I don't write.

**Q.** Who are some of your favorite authors?

**A.** I fell in love with reading at the age of fourteen. I started the series *Flowers in the Attic* by V.C. Andrews. That series sparked this insatiable need to read more. Over time, I've read and enjoyed books by: Nora Roberts, Stephen King, James Patterson, Sandra Brown, Jude Deveraux, And many more.

**Q.** Are there any new authors that have grasped your interest?

**A.** With the increase of indie authors, there are gems everywhere. I've enjoyed books like *The Body Departed* by J.R. Rain and *Divergent* by Veronica Roth. I recently read *The Edge to Never* by J.A. Redmerski.

**Q.** From the looks of it, you have five series and several standalone books in different genres and you're branching out into horror. Which genre do you enjoy the most?

**A.** So far, I've written in Romance, Mystery thrillers, Sci-Fi, Urban Paranormal, and supernatural horror. Each genre has fulfilled my need to dabble in categories across the board. I don't have a favorite genre. I thrive in the elements of the story and the characters. I do have to admit, I love the adrenaline rush of writing a fast-paced fight scene.
