Boy Still Missing: A Novel John Searles

It is June 1971. Dominick Pindle, a tenderhearted but aimless Massachusetts teenager, spends his nights driving around with his mother and dragging his wayward father out of bars. Late one evening, Dominick's search puts him face-to-face with his father's seductive mistress, Edie Kramer. Instantly in lust, he begins a forbidden relationship with this beautiful, mysterious woman. Before long, though, their erotic entanglement leads to a shocking death, and Dominick discovers that the mother he betrayed hid secrets as dark and destructive as his own.

Charged with the exhilarating narrative pace of a thriller and set during a complicated and explosive era, *Boy Still Missing* is the critically acclaimed debut novel from John Searles. It renders a deeply affecting portrait of a boy whose passage into adulthood proves as complex and impassioned as the history that unfolds before his eyes.
