Jane Eyre

Charlotte Bronte

Jane Eyre Charlotte Bronte

Jane Eyre (originally *Jane Eyre: An Autobiography*) was published in 1847 under the pen name “Currer Bell.” The novel follows the emotions and experiences of its title character, including her growth to adulthood and her love for Mr. Rochester, the byronic master of fictitious Thornfield Hall. In its internalization of the action — the focus is on the gradual unfolding of Jane's moral and spiritual sensibility and all the events are colored by a heightened intensity that was previously the domain of poetry — Jane Eyre revolutionized the art of fiction. Charlotte Brontë has been called the ‘first historian of the private consciousness’ and the literary ancestor of writers like Joyce and Proust. The novel both reflects and heralds the literary movements of its day, containing elements of social criticism, with a strong sense of morality at its core, an individualistic protagonist, and explorations of class, romantic attraction, religion, and the social position of women.
