Los traductores del viento (Spanish Edition) Marta Lopez Luaces

En la ciudad de Henoc, construida en el desierto para albergar exconvictos e inmigrantes ilegales, Agustín, guardián de la biblioteca, se encuentra implicado en una trama que lo lleva a enfrentarse a las autoridades. Mateo, su maestro en el orfanato donde creció, pertenece a una secta religiosa que cree en la existencia de un traductor capaz de descifrar el idioma que mantiene viva la comunicación entre los seres humanos y Dios. Este involucra a Agustín en la búsqueda del próximo discípulo que habrá de mantener un diálogo con lo divino. Es así como la poeta y narradora Marta López Luaces desvela su propia angustia ante los más profundos conflictos humanos que –inevitablemente– se entrelazan con el tejido social. Esta lucha –siempre interior–, extrapolada en la novela, se nos revela histórica a causa de la pugna por el poder que incesantemente se ha dado entre la Iglesia y los representantes del estamento laico. Los traductores del viento nos conduce al futuro del siglo XXIII en un intento de encontrar la raíz de esta disputa, bajo el deseo de que todo ser humano pueda diferenciarse ante la naturaleza, el Otro, Dios.

From reader reviews:

Doris Brown:

Why? Because this Los traductores del viento (Spanish Edition) is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will surprise you with the secret the idea inside. Reading this book beside it was fantastic author who also write the book in such wonderful way makes the content within easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of gains than the other book include such as help improving your talent and your critical thinking way. So , still want to hold up having that book? If I have been you I will go to the book store hurriedly.

Joe Garner:

Do you have something that you prefer such as book? The e-book lovers usually prefer to opt for book like comic, quick story and the biggest the first is novel.
