**Tartuffe, by Moliere** Jean Baptiste Poquelin de Moliere

Intriguing and entertaining, the play Tartuffe is a satire displaying the scandalous truths and facades of the seventeenth century. Although initially written for the people of King Louis the XIV, the book can be read by an every day high school student or adult. Through reading the play the audience is able to see the deception of people and that we can not always judge by what we see. Moliere brings about this concept through his witty play, and in such a manner that you can't put it down. In Tartuffe, Moliere uses the characterization, rhyme scheme, setting, and irony to effectively inform an every day audience about the distinction between appearances versus reality.
