Thanksgiving

Sam Sifton

Thanksgiving Sam Sifton

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY EATER.COM

From one of America's finest food writers, the former restaurant critic for *The New York Times*, comes a definitive, timeless guide to Thanksgiving dinner—preparing it, surviving it, and pulling it off in style.

From the planning of the meal to the washing of the last plate, Thanksgiving poses more—and more vexing—problems for the home cook than any other holiday. In this smartly written, beautifully illustrated, recipe-filled book, Sam Sifton, the *Times*'s resident Thanksgiving expert, delivers a message of great comfort and solace: There is no need for fear. You can cook a great meal on Thanksgiving. You can have a great time.

With simple, fool-proof recipes for classic Thanksgiving staples, as well as new takes on old standbys, this book will show you that the fourth Thursday of November does not have to be a day of kitchen stress and family drama, of dry stuffing and sad, cratered pies. You can make a better turkey than anyone has ever served you in your life, and you can serve it with gravy that is not lumpy or bland but a salty balm, rich in flavor, that transforms all it touches. Here are recipes for exciting side dishes and robust pies and festive cocktails, instructions for setting the table and setting the mood, as well as cooking techniques and menu ideas that will serve you all year long, whenever you are throwing a big party. Written for novice and experienced cooks alike, *Thanksgiving: How to Cook It Well* is your guide to making Thanksgiving the best holiday of the year. It is not fantasy. If you prepare, it will happen. And this book will show you how.

Advance praise for *Thanksgiving*

“If you don't have *Thanksgiving*, you are not really having Thanksgiving. This book is as essential to the day as the turkey itself. It's an expert, gently opinionated guide to everything from the cranberry sauce to the table setting to the divvying up of the leftovers, but it's also a paean to the holiday and an evocation of both its past and its promising future. Sam Sifton's Thanksgiving world is the one I want to live in.”—Gabrielle Hamilton, bestselling author of *Blood, Bones, & Butter*

“The charm of Sam Sifton's *Thanksgiving* is that he proposes that home cooks treat this culinary Olympics like any other dinner party—don't panic, deconstruct your tasks into bite-size pieces, and conquer that fear of failure. Sam could talk a fledgling doctor through his first open-heart surgery. It's all here—from brining to spatchcocking, sides to desserts—and served up with a generous dollop of reassuring advice from one of America's most notable food writers.”—Christopher Kimball, editor of *Cook's Illustrated* and host of *America's Test Kitchen*

From reader reviews:

James Benavidez:

Book is to be different for each and every grade. Book for children till adult are different content. As it is known to us that book is very important for all of us. The book Thanksgiving ended up being making you to know about other knowledge and of course you can take more information. It is very advantages for you. The guide Thanksgiving is not only giving you much more new information but also being your friend when you sense bored. You can spend your spend time to read your book. Try to make relationship with all the book Thanksgiving. You never feel lose out for everything if you read some books.

Harold Houston:

Do you certainly one of people who can't read pleasant if the sentence chained from the straightway, hold on guys this particular aren't like that. This Thanksgiving book is readable by you who hate the perfect word style. You will find the info here are arrange for enjoyable studying experience without leaving also decrease the knowledge that want to give to you. The writer associated with Thanksgiving content conveys the idea easily to understand by most people. The printed and e-book are not different in the content material but it just different as it. So , do you still thinking Thanksgiving is not loveable to be your top collection reading book?

Francis King:

Reading a reserve tends to be new life style with this era globalization. With examining you can get a lot of information which will give you benefit in your life. Having book everyone in this world may share their idea. Guides can also inspire a lot of people. Lots of author can inspire their particular reader with their story or perhaps their experience. Not only the storyline that share in the publications. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on earth always try to improve their proficiency in writing, they also doing some exploration before they write on their book. One of them is this Thanksgiving.

Paula Lauria:

Your reading 6th sense will not betray you, why because this Thanksgiving e-book written by well-known writer whose to say well how to make book which might be understand by anyone who also read the book. Written with good manner for you, leaking every ideas and producing skill only for eliminate your hunger then you still hesitation Thanksgiving as good book but not only by the cover but also by the content. This is one guide that can break don't judge book by its cover, so do you still needing a different sixth sense to pick this!?! Oh come on your studying sixth sense already alerted you so why you have to listening to one more sixth sense.
