Think Bigger. About Who You Are. And What You Offer the World.

Stand for something before someone stands on you. Revolt against the play-it-safe, don't disturb the peace, cynical and silenced society that, more often than not, buries big thoughts.

Michael Port, bestselling author and creator of ThinkBigRevolution.com, knows it's not always easy to think big. But big thinking must happen now; today, tomorrow, and forevermore.

At this very moment, you are the change you want to see in the world—should you choose to accept personal responsibility. Devour every word of The Think Big Manifesto. It is the handbook to your personal revolution.

You are more than you know. And you can do more with less than you think...

- Unhook from the guru track
- Learn how to be comfortable with discomfort
- Join people doing powerful things
- Be one of the big thinkers that others rave about

This book, and life, is not a conceptual, theoretical experiment in how to do big things. No, this is just what you need if you're on, or want to be on, the path to doing big things and are willing to invest in your future.

Join or incite a worldwide revolution that inspires others to follow. All it takes is one big thought and the revolution is unleashed. One thought, one person at a time, quickly followed by another—soon big thinking becomes the norm. Your big thoughts enable you to achieve greatness, be remarkable, and create a better world.

Are you a member of the Think Big Revolution? If so, this is your Manifesto.
