Escape From the Green Felt Jungle John Horvat

In this documentary, John, a struggling twenty-one dealer, becomes a multi-millionaire and says "I guarantee that you can do it too, if you apply my formula to your life and use a dog-eared copy of this book to keep your dream alive."

His motivation has nothing to do with personal gain. It has to do with passing on to the reader what he's been privileged to learn. He says, "It's my duty as a Christian." He struggled through different jobs, served a tour in the military, failed in small businesses, had a bad marriage, and worked for a few years as a twenty one dealer. He fought his way out of the Green Felt Jungle and shares his escape route with you.
