When governments collapse, human philosophies fail and your life is crashing down around you, Rediscovering the Kingdom will become your guide through the treacherous storms of the 21st century. All of the past ideologies have failed—humanism, communism, totalitarianism, fascism, socialism and even democracy. This is a philosophy, an ideology that will not fail, for it was bore in the heart of God Himself.

As Dr. Munroe unveils the reality and the power of the Kingdom of God, you will be challenged to the core of your religious soul as you discover realities that few have seen, let alone talked about.

Rediscovering the Kingdom will defy almost every concept you have about religion as it shifts the focus away from religion towards the ultimate issue—the Kingdom of God. In this book you will discover:

- The keys that make the Kingdom function in your life.
- Why religion cannot solve your problems.
- Why governments and world leaders continue to fail us.
- Why religion can never fulfill your deepest desire.
- Why power is the pursuit of all mankind.
- The present and future reality of the Kingdom among us.
- The original message and purpose of Jesus.
