The Quest for Seven Castles (The TERrestria Chronicles Book 2) Ed Dunlop

When King Emmanuel sends Prince Josiah on a difficult journey to various castles across the kingdom of Terrestria, the young prince is unprepared for the dangers and temptations that he will face. As Josiah grows in the knowledge of his King and strives to become like him, he learns the importance of following his Book and listening for the voice of the Dove. The Quest for Seven Castles challenges the reader to examine his relationship with the King.

This tale is captivating and once you start reading, you'll find it hard to put down. The Terrestria Chronicles series has a particularly strong appeal to today's young people: it's filled with knights and castles, dragons and princesses... but these are books in which every page points to truths of the Christian walk. Biblical doctrines and character principles are taught in such a compelling, fascinating way that they will stay with the reader for a lifetime.

Written for ages ten and up, the Terrestria series is ideal for family devotions, classroom use, or individual enjoyment. Take your family on a quest to Terrestria! You will never be the same.
