Linda Fairstein Boxed Set: This eBook collection contains Final Jeopardy, Likely to Die, and Cold Hit

Linda Fairstein

Now available, a boxed eBook set of Linda Fairstein's first three Alex Cooper mysteries: *Final Jeopardy, Likely to Die, and Cold Hit*.

Linda Fairstein's first novel, *Final Jeopardy*, introduces the Manhattan Assistant District Attorney Alexandra Cooper, whose job description matched Fairstein's own as Manhattan's top sex crimes prosecutor. The author's "two decades as a prosecutor of sex crimes imbues *Final Jeopardy* with riveting authenticity" (*Vanity Fair*), and it was made into a television movie starring Dana Delaney.

In *Likely to Die*, New York City's oldest medical center is the scene of a ghastly attack: top neurosurgeon Gemma Dogen is found in her office, where she has been sexually assaulted and designated by the cops as a "likely to die." By the time assistant D.A. Alexandra Cooper has plunged into the case, it's a high-profile murder investigation. As Alex's passion to find the killer intensifies, she discovers that she is the next target for lethal violence. For readers who "like the science of Patricia Cornwell and the legal strategy of John Grisham, this one's for you" (*The New Orleans Times-Picayune*).

In *Cold Hit*, the silk-clad body of a woman is pulled from the waters at Manhattan's northern tip. Alex races against the clock with the hope for a "cold hit" —a DNA match that would reveal the identity of the murderer by linking the crime to someone already in the police database. But as the case pulls her into the exclusive world of Eastside auction houses, Alex discovers she may be marked as an expendable commodity in a chilling and deadly scheme. "A skillfully executed plot, by a crime novelist whose powerful characters are drawn from her real life expertise. Absorbing, intricately woven—bring on the next" (Patricia Cornwell).
