In this dramatic first-person narrative, Greg Mortenson picks up where *Three Cups of Tea* left off in 2003, recounting his relentless, ongoing efforts to establish schools for girls in Afghanistan; his extensive work in Azad Kashmir and Pakistan after a massive earthquake hit the region in 2005; and the unique ways he has built relationships with Islamic clerics, militia commanders, and tribal leaders. He has met with heads of state, top military officials, and leading politicians who all seek his advice and insight. The continued phenomenal success of *Three Cups of Tea* proves that there is an eager and committed audience for Mortenson's work and message.
