The Thousand Autumns of Jacob De Zoet, A Novel (Chinese Edition) da wei. mi qie er

The year is 1799, the place Dejima in Nagasaki Harbor, the high-walled, fan-shaped artificial island that is the Japanese Empires single port and sole window onto the world, designed to keep the West at bay; the farthest outpost of the war-ravaged Dutch East Indies Company; and a de facto prison for the dozen foreigners permitted to live and work there. To this place of devious merchants, deceitful interpreters, costly courtesans, earthquakes, and typhoons comes Jacob de Zoet, a devout and resourceful young clerk who has five years in the East to earn a fortune of sufficient size to win the hand of his wealthy fiancée back in Holland. A magnificent mix of luminous writing, prodigious research, and heedless imagination, The Thousand Autumns of Jacob de Zoet is the most impressive achievement of its eminent author.
