Philip K. Dick

The Valis Trilogy: Valis, The Divine Invasion, The Transmigration of Timothy Archer Philip K. Dick
VALIS is the first book in Philip K. Dick's incomparable final trio of novels (the others being are The Divine Invasion and The Transmigration of Timothy Archer). This disorienting and bleakly funny work is about a schizophrenic hero named Horselover Fat; the hidden mysteries of Gnostic Christianity; and reality as revealed through a pink laser. VALIS is a theological detective story, in which God is both a missing person and the perpetrator of the ultimate crime. In The Divine Invasion, Philip K. Dick asks: What if God - or a being called Yah - were alive and in exile on a distant planet? How could a second coming succeed against the high technology and finely tuned rationalized evil of the modern police state? The Divine Invasion "blends Judaism, Kabbalah, Zoroastrianism, and Christianity into a fascinating fable of human existence"-- West Coast Review of Books. The Transmigration of Timothy Archer, the final novel in the trilogy, is an anguished, learned, and very moving investigation of the paradoxes of belief. It is the story of Timothy Archer, an urbane Episcopal bishop haunted by the suicides of his son and mistress--and driven by them into a bizarre quest for the identity of Christ.
