## **Women Men Love/Women Men Leave: Why Men are Drawn to Women, What Makes Them Want to Stay** Connell and Kinder, Melvyn Cowan

Written by two clinical psychologists, this book contains the questions which many women puzzle over, "What do men really want: What makes a man fall in love with a woman and want to stay with her forever?" In the first part of the book they reveal those attitudes and behaviors of women which may turn men off and cause the relationship to fail. They give insights into behaviors which evoke loving and positive responses in men and are more likely to lead to lasting love and friendship.
