When now is all you have ... don't wait.

A serious man ...

Alex Paulson doesn't have time for romance. He's Alpha of the Glowstone Guardians bear crew, and poachers are killing protected animals in Glowstone Park where he and the crew work.

But when GIS technician Susan Bentley is assigned to help him, he instantly recognizes the curvy human as his mate. He's found her at the worst possible time--but now that she's here, he can't let her go.

A skeptical woman ...

City girl Susan doesn't believe in fated mates. She escaped her controlling parents, and now Alex is telling her they're bonded forever? But no matter what she believes, the heat between them is too strong to deny.

A lethal threat ...

Then the poachers close in. Fighting for their lives, Alex and Susan are forced to make terrible choices. Will they lose each other just when they've finally found love?
