Cat Calls - A Picture Book for Living the Moment with Cats David Chin

Cat Calls, A Picture Book for Living the Moment with Cats is a humorous effort to explain what cats are really thinking. Since the year 2000, I have been blessed to have had the opportunity to share my home, food, bed, and even my sock drawer and linen cabinet with five furry little friends. Five years ago I began taking pictures of them. The best of these pictures have been incorporated into this book.

Cat Calls is dedicated to the estimated 86.4 million domesticated cats who share our lives in the United States. They amuse us, confound us, and occasionally exasperate us. What would we do without them?
