Murder in Memphis: The FBI and the Assassination of Martin Luther King Mark Lane, Dick Gregory
Bestselling author Mark Lane, the first to question the investigation into the murder of President John F. Kennedy, and activist and author Dick Gregory combine their unique perspectives in a look at the assassination of Martin Luther King. James Earl Ray's guilty plea allowed the government to sidestep a trial, and yet his hearing, conducted without any challenge by a defense attorney, raised many questions. In *Murder in Memphis*, Lane and Gregory examine these questions and more: Dr. King's police protection was removed on the day of the assassination. Why? And by whom? Why was the same FBI squad that J. Edgar Hoover directed to destroy Dr. King responsible for the investigation into the murder? How and why was the most reliable witness prevented from testifying in court? Through exclusive documents and interviews with former FBI agents, security guards, eyewitnesses and James Earl Ray himself, Lane and Gregory present the case to the American people, so they can decide for themselves.
