Excerpt from Robert E. Lee, Man and Soldier

When this book was begun, I had in mind only to prepare a second and enlarged edition of the little volume published three years since, under the title "Robert E. Lee, the Southerner," in which the theme was Lee's personal character, and no attempt was made to present more than a bare outline of the military side of his life. With the materials in hand, however, and the attractiveness of the subject, the work soon expanded beyond the dimensions of a mere New Edition, and has finally assumed the proportions of a biography. The work has led into a field, new, at least to me, and besides a fuller account of the extraordinary conditions under which Lee conducted his military operations, I have endeavored to give his relation to the civil power of the Confederate Government.

Some repetition will be found, but the intention has been to give a clear outline of Lees military career for those who may not care to go further into an account of battles, and then, for others, to give a history of Lee's military operations, which it is hoped may prove sufficiently complete to enable the interested reader to follow intelligently the masterly campaigns on which Lees fame as a soldier is founded.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
